A close-up photograph of aloe vera leaves, showing their characteristic serrated edges and layered structure. The leaves are a deep green color and are arranged in a radial pattern around a central point. The lighting is soft, highlighting the texture of the leaves.

HOW DO I KNOW THAT I HAVE ETERNAL LIFE?

STUDY OF 1 JOHN

The Believer's Confidence

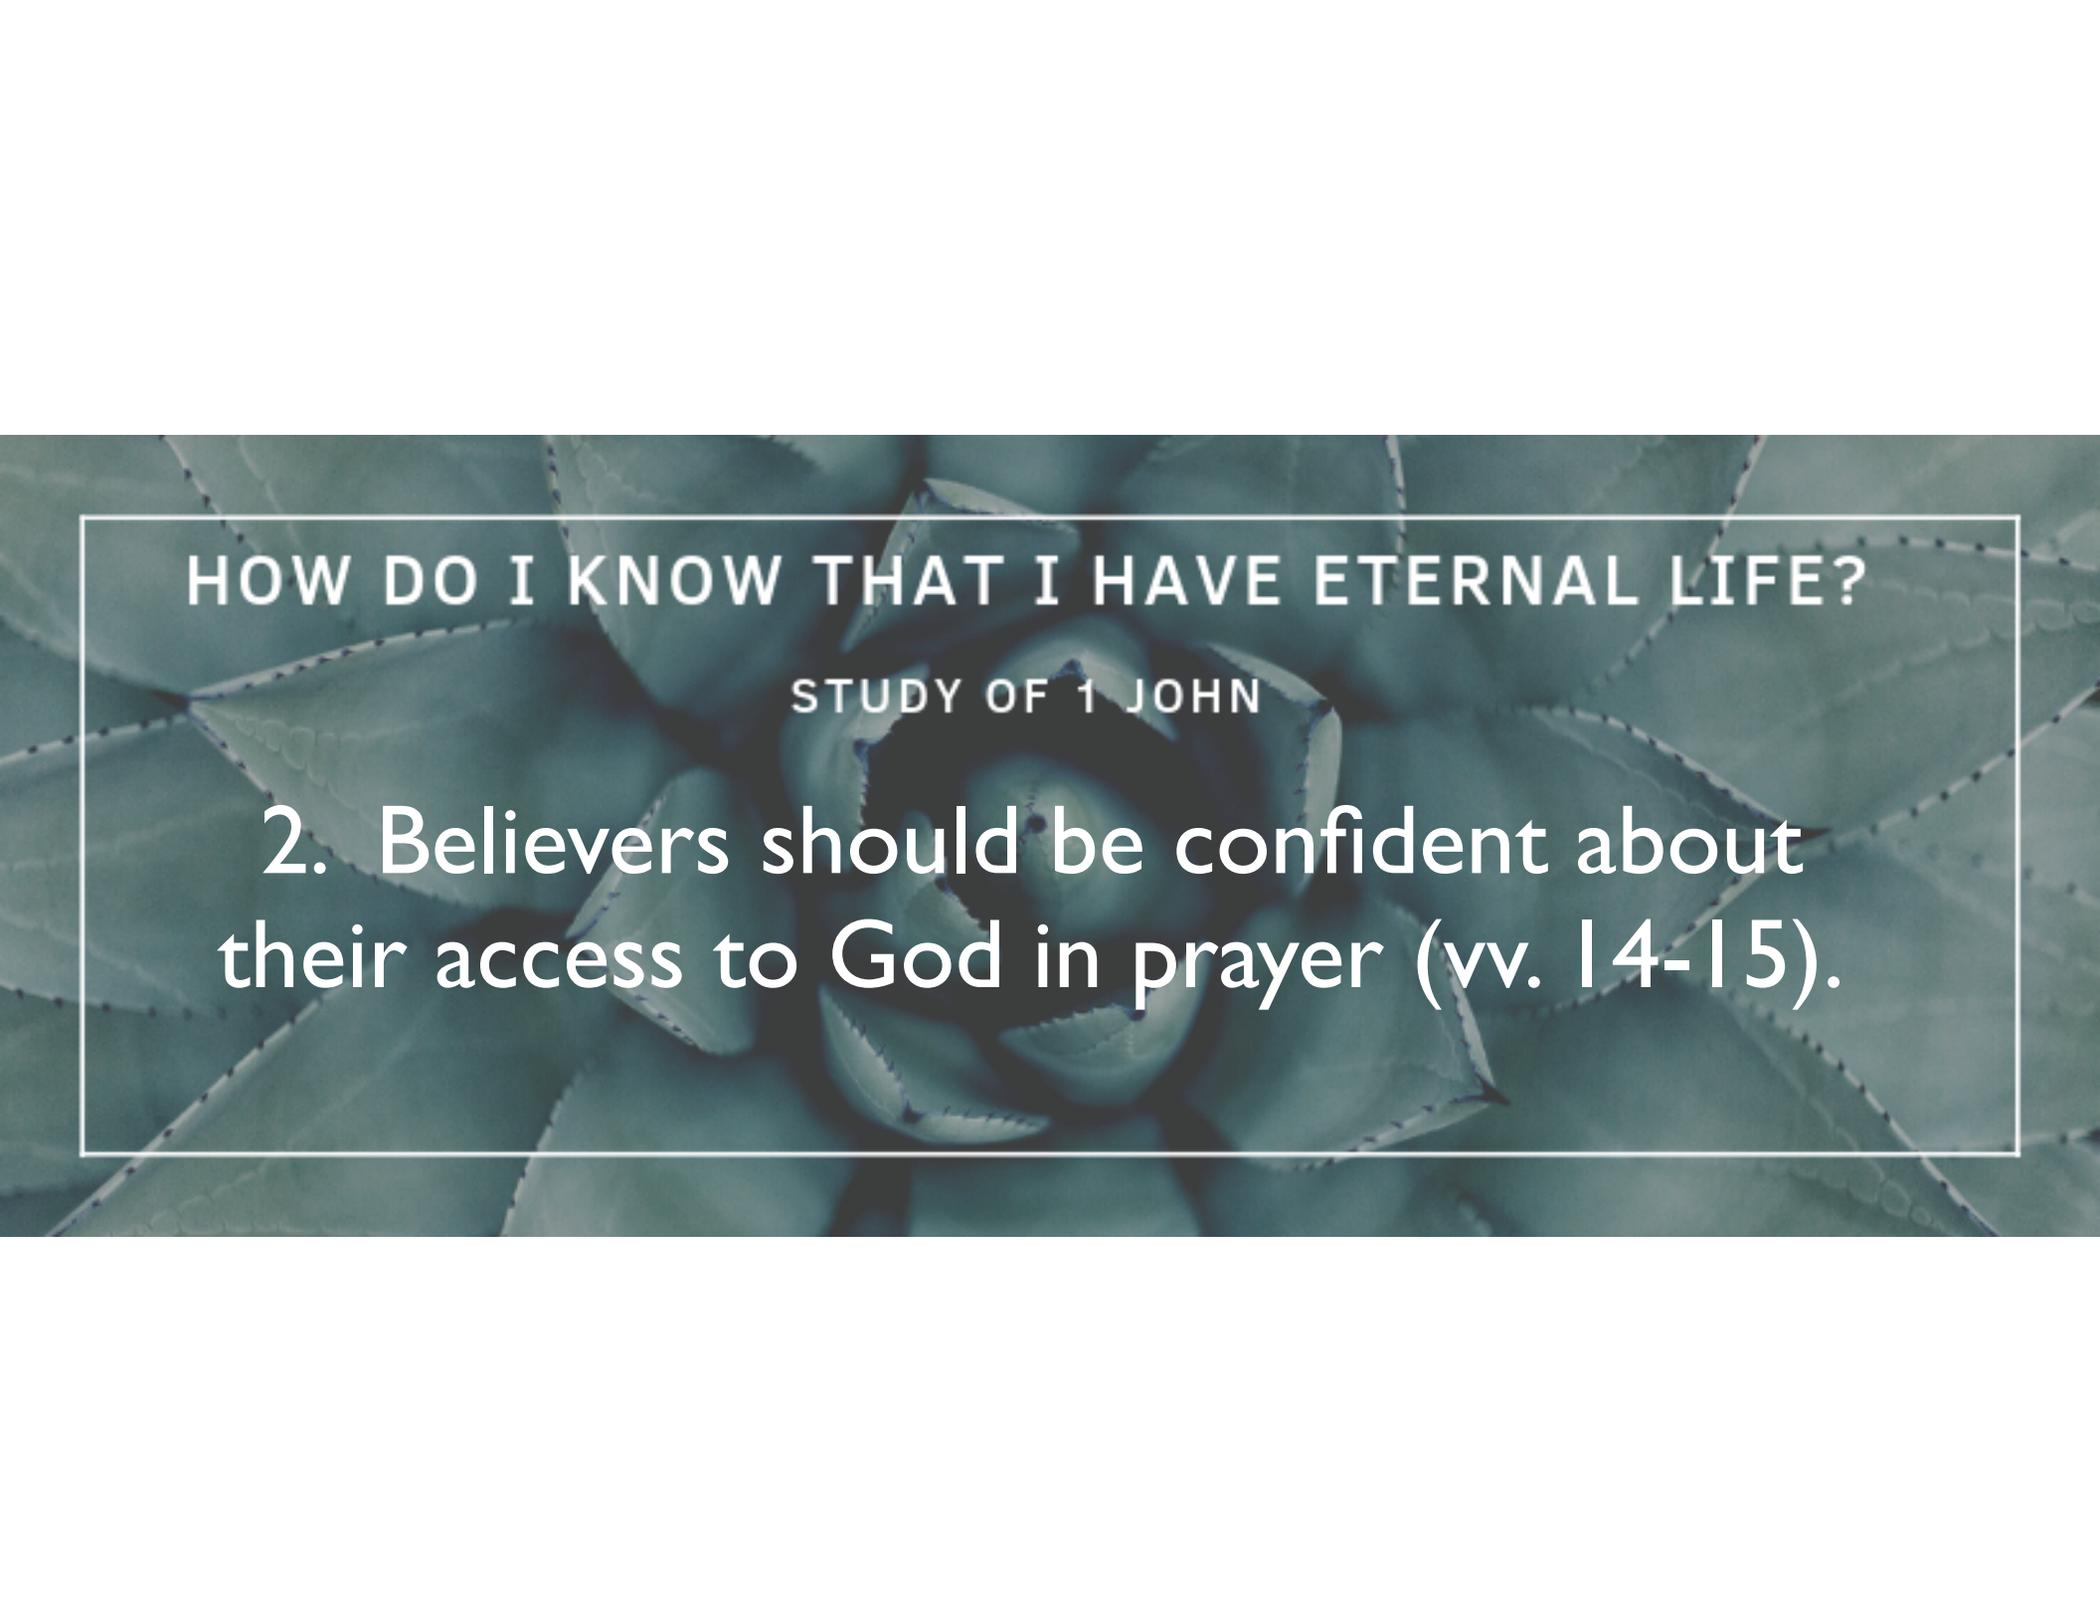

1 John 5:13-15

A background image of aloe vera leaves, showing their characteristic serrated edges and spiral growth pattern. The leaves are a muted green color, and the overall image has a slightly desaturated, artistic feel.

HOW DO I KNOW THAT I HAVE ETERNAL LIFE?

STUDY OF 1 JOHN

- I. Believers should be confident about God's promise of eternal life (v. 13).

A close-up photograph of aloe vera leaves, showing their characteristic serrated edges and layered structure. The leaves are a muted green color and are arranged in a spiral pattern, creating a textured, geometric background. The lighting is soft, highlighting the veins and the texture of the leaves.

HOW DO I KNOW THAT I HAVE ETERNAL LIFE?

STUDY OF 1 JOHN

2. Believers should be confident about their access to God in prayer (vv. 14-15).
